Brand to watch: Sophyto

One of the newest organic brands to hit the market is **Sophyto**, apparently the first professional use line with UK Soil Association certification.

Taking inspiration from both Chinese and Western medicines and ayurvedic, homeopathy and naturopathic remedies, which seems a bit diffuse, we're always willing to give 'em a shot before disclosing our opinions on their product.

Sophyto's product list includes:

- Deep Pore Foaming Cleanser 150ml £20
- Ultra Mild Silken Cleanser 125ml £19
- Purifying & Energising Super Bioactive 250ml £19
- Tone & Balance Super Bioactive 250ml £19
- Normalising Day Face 40ml £25
- Mega Omegas Day Face 40ml £25
- Polyphenol Skin Drops 75ml £45
- Skin Energising High Potency Concentrate 75ml £60
- Refining Peel Mask 50ml £23
- Purifying Mask 50ml £19
- Sample Kit of 5 Try Me Size Products 5X5ml £14.95
